

Old Dominion Osteopathic Medicine currently **accepts** the following insurances:

This list is current as of July, 2014 – however it is always the patient’s responsibility to check with their insurance company to determine if, and how much, their specific plan will cover Dr. Sneed’s services. If you would like help estimating your out of pocket expenses ahead of time, feel free to call our billing department at 540-898-2202.
